Cathie Doyle, LNHA, MPA
Daleview Care Center
Farmingdale, New York

Dear Cathie,

ACHCA commends the leadership team at Daleview Care Center. Daleview Care Center was recognized as a top-performing skilled nursing qualifier for the 2023 ACHCA Eli Pick Facility Leadership Award (EPFLA) based on the collected data. Only 2% of skilled nursing facilities in the country met the selection criteria; this is quite an achievement.

The Eli Pick Facility Leadership Award was established in 2008 by one of ACHCA's most revered leaders, the late Eli Pick; to recognize the administrators of top-performing SNFs achieving excellence well beyond the Five Star rating system.

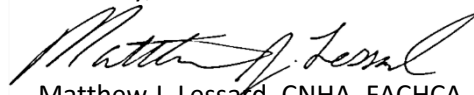

Criteria are carefully reviewed and updated annually to ensure top-performing facilities are duly recognized, and the award continues to raise the bar for organizational performance.

ACHCA remains **the only professional membership association** devoted solely to connecting and enhancing the leadership of the Administrator in today's long-term care industry. We wish you a year of quality care and excellence for your residents and your team.

Thank you for being a catalyst for excellence in our ever-changing environment of regulations, mandates, and updates. We will continue to support you as you care for our most vulnerable community.

Keep up the great work!

Sincerely,

Matthew J. Lessard, CNHA, FACHCA
